**A NEW GENERATION OF WORK BOOTS: AS COMFORTABLE AS
THEY ARE TOUGH**

These full grain leather work boots are incredibly
flexible and lightweight. The secret is Caterpillar's Flexion construction,
which is designed around the natural movement of your feet – which
means you don't have to break them in, because they're already
contoured to fit. Plus they're built to last with dual-forged construction that's both
cemented and stitched twice. SRX rubber outsole exceeds global industry standards
for slip-resistance. Removable EVA footbeds and dual-density heel pods for extra
cushioning. 605664 also features 200g insulation.
